

## TopoSys Communication

Date January 2008

### Appointment of new Managing Director of TopoSys

We are very pleased to announce the appointment of **Svein G. Vatslid** to the position of **Managing Director of TopoSys** effective 1<sup>st</sup> January 2008.

Svein G. Vatslid brings with him more than 20 years of experience in various Management Functions within several industries. He holds a Bachelor of Science degree in Electrical Engineering and a degree as Masters of Business Administration.

Prior to joining TopoSys, Svein G. Vatslid worked as an independent Management Consultant with various international organisations (including TopoSys). At Leica Geosystems Svein G. Vatslid hold the position as Vice President for a business unit. At Datacolor AG as the General Manager for Europe, Middle East and Africa and was the North European Regional Manager with Phonak AG. At Siemens Building Technologies AG, Svein G. Vatslid managed regional sales and key account for Asia Pacific.

Svein G. Vatslid will replace Alexander Wiechert whom has decided to pursue his carrier outside TopoSys. We would like to thank Alexander Wiechert for his service and dedication during the four years with TopoSys, which has materialised into significant growth in the recent years. We wish him all the best and success in his future endeavours.
